NWEA MAP FREQUENTLY ASKED QUESTIONS

Why does my child have to take the NWEA MAP?

The NWEA MAP is used to determine eligibility for programs with academic criteria. Your child's NWEA MAP scores will be used to determine whether or not your child is eligible to participate in the assessment and/or selection process for the Chicago public schools/programs to which you apply that have academic criteria. If your child's NWEA MAP scores meet the minimum requirements for these schools/programs, you will then proceed with any additional requirements for those programs/schools. FOR EXAMPLE, if you are interested in the Selective Enrollment High Schools, and your child's NWEA MAP scores meet or exceed the minimum eligibility requirement for the Selective Enrollment High Schools, you will THEN submit your application and schedule your child to take the Selective Enrollment admissions exam. If your child does not take the NWEA MAP <u>AND</u> the Selective Enrollment admissions exam <u>AND</u> submit the application for the Selective Enrollment schools, your child cannot be considered for the Selective Enrollment schools. The application and admissions testing process takes place in the fall/winter. You will receive information later this year regarding this process.

How do I submit my registration form?

Your completed form should be scanned and emailed to oaecommunications@cps.edu, or mailed/hand-delivered to the Chicago Public Schools, Office of Access and Enrollment, 42 W. Madison St., Garden Level, Chicago, IL 60602. Emailed forms will receive an email confirmation of receipt. Parents who submit forms in person will receive a receipt at the time of submission. Mailed forms should include a self-addressed, stamped postcard/envelope, which will be mailed back to you as a receipt. Registration forms must be RECEIVED by the Office of Access and Enrollment no later than April 3, 2020, in order for students to take the NWEA MAP in May or June 2020.

Does my child have to take the NWEA MAP if he/she wants to apply to Selective Enrollment schools for grades K-4?

No. Students applying to grades K through 4 do not have minimum eligibility requirements and do not have to take the NWEA MAP.

When will I be notified of the time and location for testing?

CPS will put test notification letters in the U.S. mail, to the home address on the registration form, approximately 1-2 weeks prior to the student's first test date. Reminder notifications will be sent as well, via robocall and email.

Will I be able to reschedule my child's test date/time/location?

Capacity and resources are limited. Few rescheduling requests, if any, will be accommodated.

How many questions are on the NWEA MAP test?

The NWEA MAP mathematics test is roughly 52 items in length. The NWEA MAP reading test is roughly 42 items in length.

When will I receive my child's NWEA MAP results?

In July 2020, you will receive an Activation Code via U.S. mail (unless you have already opened a GoCPS account for your applicant). This code will be used to open a GoCPS online application account and activate your child when the GoCPS Activation process opens in August 2020 for the 2021-2022 application season. After you activate your child in August 2020, you will be able to view your child's NWEA MAP scores via your GoCPS account. (If you applied via GoCPS in a previous school year for your child, you will not receive an Activation Code. The scores will be visible on your GoCPS account in August 2020.)

Will I receive an NWEA MAP score report?

No. Your child is taking the NWEA MAP solely for the purposes of determining their eligibility to be considered for selected Chicago public schools/programs for the 2021-2022 school year. The eligibility process only uses the student's NWEA MAP percentiles in reading and math. Therefore, the Chicago Public Schools will only provide you with your child's reading and math NWEA MAP percentiles.

My child has an IEP or 504 Plan. Will their accommodations be honored?

CPS will only honor test accommodations for finalized Individualized Education Programs (IEPs) and 504 Plans from public school districts. Applicable test accommodations described in Section 10 (c) of the student's IEP or 504 Plan will be made available. Please be aware that only certain accommodations are available for the NWEA MAP due to its specific nature. OAE testing specialists will review testing accommodations for all eligible students prior to test scheduling.

My child has a pending special education evaluation. How will their testing be handled?

Students with pending evaluations will not be scheduled until the evaluation has been completed and a final determination has been made. OAE will work with the Office of Diverse Learner Supports and Services to determine when pending CPS evaluations have been completed. OAE will contact parents of students with pending evaluations in other districts to determine next steps.

Why is OAE asking for consent to release my child's final 2019-2020 school year grades?

Many programs require grades for the eligibility and/or selection process. For families that consent to release this information, OAE will contact students' current schools to request the final grades. Please note that if your child's current school does not furnish their final grades, or if your child's school is not listed on the Non-CPS School Code list, you may be responsible for submitting these grades to OAE by the December 2020 deadline.
